Letter from the Vice Chair

November brought a season of closure for the Ambassadors program. We said farewell to our fall cohort, a dedicated and wonderful group who soaked up all they could about ACPA! We ended our cohort with a great call with Dr. Dre Domingue - our ACPA Vice President - who spoke about the importance of embedding the Strategic Imperative into our daily work in higher education.

I hope that the end of the semester or quarter is bringing you some peace, restored balance, and a chance to reflect on the last few months. I know we all talk about how this semester was "one for the books", but I want to encourage you to look at what it taught you and how you grew as a professional and as a person. I'd bet that you are better and stronger than eleven months ago! As always, take care of yourselves and have a wonderful winter season (even if it's 70 degrees like it is here in Texas!).

- Julie
