## Letter from the Vice Chair

There wasn't a March edition and if you check page two of this newsletter, I believe you'll see why - the Ambassadors team was having way too much fun in St. Louis at ACPA22!

In February, we wrapped up a very successful winter cohort. Our Coordinators spoke so highly of their time with this winter group and I can't thank them all enough for being so engaged during the "down" time of many of our jobs. They jumped in to professional development in *December!* That screams dedication to me. We ended our time together with Rachele Brown, newly elected Entry Level Member-at-Large, who inspired our Ambassadors to not talk themselves out of potentially wonderful professional opportunities out of fear. What an important sentiment! Speaking of...

I have now served the Ambassadors team for three years and am passing the torch. I look forward to the work that will be done on a grander scale in GSNP and I can't wait to support the next Ambassadors team as Chair-Elect. Thank you to everyone who made my time in Ambassadors truly life-changing.

Let's continue boldly transforming higher education,  
- Julie
