

Graduate Students and New Professionals Community of Practice

A YEAR IN REVIEW

DIRECTORATE MEETINGS

We may only meet online for the majority of our time together, but each meeting brought sass, knowledge, thoughtful conversations and even some Tea time with J!

SUNSETTING THE AMBASSADORS PROGRAM

The Ambassadors program has been with GSNP since the beginning, with changes happening in the field we decided to sunset the program for now.. but have created the Convention Experience Team to take over!

ACPA 2023- NOLA

Que Shania Twain's Lets Go Girls We went to have a good time and I think all those that went to convention were able to do just that. See more in the Newsletter on what we did at APCA 2023 in New Orleans.

ACPA New Orleans

A YEAR IN REVIEW

MEET US IN THE BAYOU!

Though not everyone was able to join us at ACPA 23 in New Orleans those that could join us were able to create memories, work towards making GSNPCoP stronger, and connecting with colleagues near and far. This year we sponsored 10 Programs and awarded 6 scholarships too well deserved Higher Education and Student Affairs practitioners. You will find a reflection of the scholarship recipients within this newsletter. Check out what they had to say.

Ambassadors Program

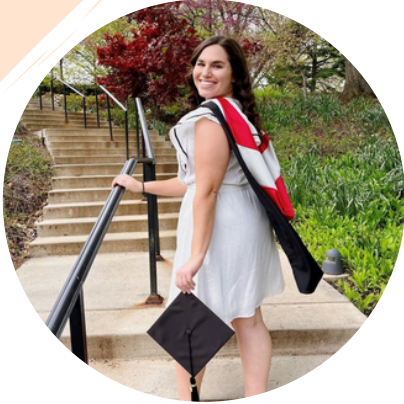

IT'S NOT A GOODBYE.. JUST A SEE YOU LATER

This year we have decided to sunset the Ambassadors Program.

This program gave many the opportunity to find their professional home within ACPA. Though it has changed in many ways from the when the program first was introduced, it still gave graduate students and new professionals a space to grow and learn about themselves, ACPA and Higher Education. We sunseted the Ambassador Program with an all call with past and present Ambassadors. They got to share memories, connect with those they may have not had the chance to or reconnect with former cohort mates of the program. Though we are sad to say goodbye, we have made great strives to make the convention experience team ready for their new roles and creating the same space for Graduate Students and New Professionals alike.
